EXPERIENCE

Public Welfare Society of Nepal, Jalapa, Khotang, Nepal 2009 - 2013

Social Mobilization Coordinator 2010 - 2013

- Conducted strategic planning and M&E; raised awareness and trained community stakeholders for better access to services, resources, and assets.
- Designed, implemented, and monitored dozens of educational projects channeled through local government planning process that benefited 5500 marginalized households.
- Coordinated high-level visits and sharing workshops; prepared reports, advocacy notes, and issue papers.

Project Coordinator/Researcher 2009-2010

- Designed research strategies and methodologies, including tools, and questionnaires.
- Planned and supervised 16 demo plots, including in public schools, to enhance alternative farming techniques and sustainable livelihood strategies.
- Organized training for staff and communities to localize the concept of climate change.
- Designed local adaptation plans to minimize the risks and impacts from climate alteration in agriculture.

Jalapa Higher Secondary School, Jalapa, Khotang, Nepal 2007 - 2009

Sociology and Anthropology Teacher

- Introduced interactive learning and research techniques into the classroom.
- Trained, mobilized, and monitored 50 students every year.
- Supervised higher secondary education board's exams in the district.

Center for Research on Environmental Health & Population Activities, Kathmandu, Nepal

Research Assistant 2004 - 2006

- Interviewed 2000 people aged 18-65 to collect qualitative/quantitative data on their living environment (where they live, who they live with, how long they have lived there, etc).
